Have you had a felony in the last 5 years? yes no

The following is information about my candidacy:

I've lived in Sugarhill for two years. My wife of 19 years, Mindy, and our son, Luke, love our home and neighborhood. We moved here from Atlanta, where I spent most of the prior 25 years. I grew up in central Illinois and Indiana.

I'm a Chemical Engineer, who spent time in the research labs at Eli Lilly and Company. I went back to school, then ended up spending the next 17 years at The Coca-Cola Company. I was the Franchisee of a construction business for five years, before getting back into beverages working at NuCO2. My job there is what brought me to Florida.

I have 20+ years of martial arts training, but I'm still deciding what hobby I want to have down here. I'm happy to contribute to Sugarhill however I can.
