The following is information about my candidacy:

I have been a pilot for nearly 30 years & a Learjet pilot for almost 20 years.

The first time my wife & I accidentally drove into Sugarhill - we knew that we would live here. Having the hills and gorgeous 1 & 2 acre - nature filled lots - we knew it was for us.

I have a lot of respect for the current HOA board members & feel that I can be an asset as a board member as I am a team player.

In addition to flying, hobbies include boating, motorcycling, bowling & old cars.
