Information about The Consent To Emailed Notifications

Florida requires notifications for certain legal events like Special Meetings, Annual Meetings, Elections, Deadlines for Election Nominations, etc. to be done by mailings to the owners. These notifications can also be done by email if the designated owner of the property signs a written consent. This is much the same as our Consent to Electronic Voting that 89% of Sugarhill enjoys.

By signing this consent you will be assisting the association with keeping substantial printing and mailing costs down. You will help the board streamline their duties and you will continue to bring Sugarhill's communications in to this decade/century.

If you are interested, and we hope you are, then just fill out this consent card and mail it back to us in the provided envelope or give your consent card to a board member. Thank you for your help.
