How To Pay The Annual Fee

The annual billing for the Association Maintenance Fee is done through our accounting firm.

You will need to mail your payment with the invoice or the invoice number or your Sugarhill address or lot number. You may also drop your payment off to a black metal security box next to Paterson's front door. They are open Monday through Thursday 9am - 5pm. They are appointment only but because of security box you won't need to go in. We recommend you don't leave payments in their box overnight for security reasons.

Our accountant is:
