New Business

John Doty explains how the '*Split Payment option*' will operate with regard to the Annual Maintenance Fee. He shared that Our Bylaws require an 8% per annum interest fee*. This split payment would be to allow the half balance to ride for 5 months as non-delinquent but at the cost of 5 months of that balances' interest as an additional fee. If the split payment balance is paid by August 1, no interest fee would be added. If the split payment balance of \$361.67 isn't paid by December 1 The balance will become delinquent and go to collections. If the full payment or the first installment of the split payment plan is not paid on the July 1 due date

(and after the 15 day grace period) the split payment option will no longer be available. There is no obligation to participate in the split payment option.

The Board voted and approved '*Split Payment option*' of the Annual Maintenance Fee schedule as set forth by the President.
