

Information About the Return to In-Person Meetings

Due to the continued **Covid virus threat** to unvaccinated adults and children we respectfully request that all

unvaccinated attendees and all people who come in close contact with unvaccinated children wear a mask during the meeting.

During the 1-1/2 year away from Senior Solutions they **removed all their chairs** and big round tables. We will be

providing 5 chairs for the board and 10 chairs for attendees.

For new owners wanting to attend our board meeting the **location of the meeting** is in the big green building on the corner of Sugarhill Ave and Jensen Beach Blvd. The meeting room is on the

second floor above Senior Solutions accessed using the first staircase closest to Senior Solutions. There is a map link in the Board meeting notice on our website.
